Sir:

Prior to examination, please amend the above-identified application as follows.

IN THE CLAIMS

Please cancel claims 14-17 without prejudice or disclaimer of the subject matter thereof.

Please amend the claims as follows:

2. (Amended) A public-key encryption method for data transmitted between a sender who encrypts data to send with a public key and a receiver who decrypts the data encrypted and delivered to the receiver with a secret key corresponding to said public key, said public-key encryption method comprising:

(a) a key generation step which the receiver conducts by working the receiver-end device, according to a procedure comprising:
